COLDWATER QUEST
The coldest oceans are teeming with wildlife such as anemones in cold watertide pools and deep open species such as rockfish and rattfish. Due to construction, some of our species are temporarily off exhibit.
presented by
GP Georgia-Pacific

RIVER SCOUT
Rivers are a source of life for animals, people and cultures throughout the world. In the River Scout gallery you will discover a wide diversity of animals found in the rivers of Africa, South America, Asia and right here off the coast of Georgia.
presented by
SOUTHERN COMPANY

GEORGIA EXPLORER
The Georgia Explorer gallery is a highly interactive gallery with touch pools full of horseshoe crabs, sea stars, stingrays and shrimp. Come explore the state's rivers and coast, meeting such wonderful wildlife as the loggerhead sea turtle and the fish of Gray's Reef. Learn about the endangered right whale that lives right off the Georgia Coast!
presented by
SUNTRUST

A special welcome from
Bernie and Billi Marcus
Benefactors of Georgia Aquarium

"The Georgia Aquarium is our gift to the residents of this state, and our way of helping everyone enjoy and understand more about the wonderful diversity of creatures that live in the seas and rivers of the world. We want you to have fun during your visit, and we hope you will take away a greater understanding and appreciation of aquatic animals both great and small. From the bottom of our hearts, we welcome you to the Georgia Aquarium."

OCEAN VOYAGER
Walk through an acrylic tunnel or stand in front of a gigantic acrylic viewing window, and you will feel like a SCUBA diver in an endless blue sea, mesmerized by thousands of fish swimming overhead. Ocean Voyager is home to the gentle giants of the sea, including whale sharks and Nandi, the only manta ray in a U.S. aquarium, ever.
built by **THE HOME DEPOT**

TROPICAL DIVER
Come enjoy one of the largest living reef exhibits of any aquarium in the world. Living corals and thousands of colorful reef fish are presented in a faithful recreation of a tropical Pacific coral reef, complete with an overhead crashing wave.
presented by
AirTran

DEEPO'S UNDERSEA 3D WONDERSHOW
By combining digital projection, a high definition 3D film and unique special effects, the Georgia Aquarium's 4D Theater allows guests to experience the underwater world from a marine animal's point of view.
presented by **at&t**
